October 10, 2011

Dear Friends of St. Joseph's Catholic School,

On April 28, 2012, St. Joseph's Night of Knights Committee will host our annual dinner auction at The Starline Factory in Harvard, IL to benefit St. Joseph's Catholic School. St. Joseph's School offers an exceptional elementary education from kindergarten through eighth grade and is staffed by dedicated professional teachers. *We rely on the support of our contributors through fundraising activities, like the dinner auction, to run and continue to improve our school.*

We would like to extend a special thank you to those of you who have participated in the past and say how greatly we appreciate your support. For those of you who plan to contribute for the first time, we look forward to your participation and support for the years to come. With the help of community conscious organizations, such as yours, we expect this year's dinner auction to be great success. We would greatly appreciate your donation of a product, gift certificate, service or voucher of service, direct monetary contribution and/or attendance and participation at the dinner auction. Dinner packages, tickets to sporting events, theatre tickets, passes to family attractions, condo rentals and trips have also been very successful in past auctions.

We hope we can count on your support! Early receipt of your donation will help optimize the advertising exposure for your business. To ensure your donation is included in the printed program, we request your donation be received by **November 1, 2011**. Donations will be showcased in our auction program, displayed on our website <http://www.stjoeharvard.org/school.htm> and in school and parish communications. If you have any questions, please feel free to contact Jill Szpicki at (847) 612-8685 or email the Night of Knights Donation committee at [nok.donations2012.com](http://nok.donations2012.com).

Thank you for your consideration! Your support of St. Joseph's Catholic School is greatly appreciated!

Warmest Regards,

Jill Szpicki & Robin Rausch
